ABOUT OUR SCHOOL AND STAFF

For more than 30 years, Southbank has stood at the forefront of providing a world-class education to children and young people from London's international community and the UK.

Visit any of our five campuses in the heart of London and we're sure you'll be impressed by the diversity of our students and their academic excellence and social skills. Currently, they come from over 60 countries and speak around 20 languages.

At Southbank, over 800 children and young people study one of three inspiring but challenging International Baccalaureate (IB) programmes:

- Primary Years Programme (ages 3–11)
Hampstead and Kensington
- Middle Years Programme (ages 11–16)
Westminster
- Diploma Programme (ages 16–19)
Westminster

Absolutely key to the delivery of our IB Programmes, and our continuing success, are our teachers and administrative staff. Our aim is to attract employees from around the world who can help maintain and grow our reputation as a centre for outstanding teaching and learning. In particular, we seek to appoint people who encourage a global perspective and educational adventure, while practising the highest standards of professionalism.

In return, we offer all members of our team a competitive salary, an excellent range of benefits and many opportunities for career progression. In addition, some new employees may be entitled to a relocation package, depending on their location when they are offered a position at Southbank.

SAFEGUARDING OUR STUDENTS

Southbank is committed to safeguarding and promoting the welfare of children and young people. This means we will undertake pre-employment checks before any appointment is confirmed. These will include an enhanced Disclosure and Barring Service (DBS) check and overseas police checks in any countries that a candidate has lived in for longer than three months since the age of 16.

OUR CAMPUSES

KENSINGTON

Primary Years Programme

Our Kensington campus consists of two adjoining Victorian villas located in the stunning Notting Hill area of London. Facilities include an IT lab, a music room and two sound-proofed practice rooms, a library/ media centre, and a hall which is used for many purposes, including lunches, sport, school 'town meetings' and concerts. There is also a large garden with a climbing frame, sandpit and a wide range of toys and equipment for children to enjoy.

HAMPSTEAD

Primary Years Programme

Our Hampstead campus is a purpose-built building located in one of London's leafiest suburbs. It features excellent learning facilities including a vibrant library, a bespoke art room and a music room with performance and teaching space. Our Edible Courtyard offers a quiet space for vegetable and flower growing, as well as birdhouses and bug hotels.

PORTLAND PLACE (WESTMINSTER)

Middle Years Programme

Our Portland Place campus is spread across two large Grade II listed mansion blocks. It features a wealth of excellent facilities, including five science labs, a computer lab, art and music rooms, a small hall/theatre, and two libraries featuring networked computers. Because of Portland Place's close proximity to Regent's Park, we host a wide range of sports and outdoor activities in the royal park. Nearby, students also have the opportunity to visit many famous London locations.

CONWAY STREET (WESTMINSTER)

Middle Years Programme and Diploma Programme

Our Conway Street campus is a striking, modernised building located a few minutes' walk from Warren Street and Great Portland Street underground stations. It features a wide range of high-quality facilities, including a science lab, art studio, social space/ hall and language suite, which is set across four storeys. We're also particularly proud of our Library Resource Centre (LRC) at Conway Street. It offers access to over 3,800 books, DVDs, magazines, local and national newspapers, online databases and university prospectuses.

CLEVELAND STREET (WESTMINSTER)

Middle Years Programme and Diploma Programme

Our Cleveland Street campus opened in September 2018 and allows an additional 219 students to benefit from the Southbank experience. Spread over five floors, it features a wide range of different environments, including specialised classrooms, a large common space on the top floor, study and learning pods, and a design technology lab in the basement. As requested by students, the new campus also features calming colour schemes and design features which bring nature indoors.

THE INTERNATIONAL BACCALAUREATE

The International Baccalaureate (IB) was founded as a progressive non-profit educational foundation in 1968. Initially, it developed a Diploma Programme to help children acquire the necessary skills and knowledge to live, learn and work in a rapidly globalising world.

By 1994, the IB had introduced its Middle Years Programme for students aged between 11 and 16. It then added the Primary Years Programme for children aged 3 to 11 in 1997; and in 2012, it launched its Career-related Programme for students between the ages of 16 to 19.

Today, the IB works with over 4,000 schools in 148 countries and offers its four programmes to over one million students. At Southbank, we're delighted to be one of these schools. Every year, we see how the IB programmes help to develop inquiring, knowledgeable and caring young people.

We also share the International Baccalaureate's overall aim to create a better and more peaceful world through the understanding and respect of different nationalities and cultures.

For further information about the International Baccalaureate, please visit southbank.org or ibo.org, the official website of the International Baccalaureate.
