COVID RESPONSE

Our students, their well-being and their progression have been at the forefront of our thinking as we respond to the pandemic. We will continue to be vigilant, responsive and adaptable as we navigate the next phases of COVID.

- In 2020 and 2021 there were three national lockdowns in the UK, during which there was remote learning.
- The IB made adaptations to help address the challenges caused by the pandemic, including adjustments to assessment, which were extended to examinations in 2022.
- In 2023, students undertaking the DP and MYP will complete the full suite of assessments which will return to the published model for all subjects and components.
